

Would you like to become part of the change?

Go for studies in the Bioeconomy sector

What's in the Bioeconomy for me?

A highly qualified career with good [professional prospects](#).

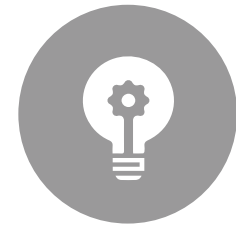

A working field with great potential for [innovation](#).

A relatively new field that [is able to](#) cross the boundaries and connect already existing industrial sectors with new ones.

The chance to work with new tools and technologies

The possibility to contribute to the creation of new knowledge and discoveries

The UrBIOfuture experience will deliver insights, face-to-face meetings with employers and specialists, as well as visits to bio-based industries in several European regions.

Partners

This project has received funding from the Bio Based Industries Joint Undertaking (JU) under the European Union's Horizon 2020 research and innovation programme under grant agreement No 837811
